Please answer the following questions with 150 words or less. Point form is acceptable.

- 1. What draws you to volunteer with Basics for Health? What do you hope to gain personally from the experience?**

- 2. Discuss how your skills, personal qualities and/or lived experiences are applicable to the role of a Basics for Health volunteer.**

- 3. Describe an endeavour (solo or team-based) in which you experienced setbacks or challenges and how you addressed them.**

- 4. Describe an interpersonal conflict that you had in a professional (paid or volunteer) setting and how you resolved the situation.**

- 5. Volunteers in our phone and video program will need to gain proficiency in video conferencing and remote desktop software, in addition to working within our program's standard policies and procedures. What experience do you have that would set you up for success in this environment, either in working with technology directly or in learning a new skill?**

6. What else would you like to add that would give us a clearer picture of who you are?

If you are looking to gain experience through B4H for admission to a graduate/professional program, please list which program you are applying to and which year you will apply in:
